The Financial Disclosure section of the Elections Procedure Manual for SGA Elections (page 17) states that a campaign spending limit of \$600 is allowed for executive offices. The report \$633.57 is clearly above the \$600 limit.

Violation 2 (Class 2): Failure to Disclose Spending: Facebook Ad = \$42 (\$14/day for 3 days; March 7, 8, 9).

The Financial Disclosure section of the Elections Procedure Manual for SGA Elections (page 17) states “All candidates are required to make full disclosure of an itemized budget of actual campaign expenses.” The Facebook Ads are not listed on Ms. Carroll’s Financial Disclosure.

See Exhibit I

Violation 3 (Class 2): Failure to Disclose Spending. Website – Domain Name Registration with Register.com – \$9.99/ year. (\$9.99/12 months = \$0.83/ month)

The Financial Disclosure section of the Elections Procedure Manual for SGA Elections (page 17) states “All candidates are required to make full disclosure of an itemized budget of actual campaign expenses.” The Website Registration is not listed on Ms. Carroll’s Financial Disclosure.

See Exhibit J

Violation 4 (Class 2): Failure to Disclose Spending. Gas for Trucks with signs - We allocated \$34.50 for gas. We placed signs in five trucks and estimated 20 miles for each truck at \$0.345 per mile. Trucks with Riddle signs were only driven around campus Tuesday and Wednesday, March 8 and 9. Two trucks with Carroll signs drove around campus Friday, March 4; Monday, March 7; Tuesday, March 8; and Wednesday, March 9.

The Financial Disclosure section of the Elections Procedure Manual for SGA Elections (page 17) states “All candidates are required to make full disclosure of an itemized budget of actual campaign expenses.” The gas for trucks driving around campus with signs is not listed on Ms. Carroll’s Financial Disclosure.

See Exhibits G & H

Violation 5 (Class 2): Failure to Disclose Spending. Fabric/ sheets and paint were not openly disclosed on the Financial Disclosure form. While these items may have been included in parts of the disclosure form, no receipts exist for these items, and pictures have been taken to show that at least one cloth banner was created. Paint was used for signs in the trucks and on several of the banners.

The Financial Disclosure section of the Elections Procedure Manual for SGA Elections (page 17) states “All candidates are required to make full disclosure of an itemized budget of actual campaign expenses.” The sheets and paint are not openly listed on Ms. Carroll’s Financial Disclosure.

See Exhibits C, D, E, & F

Violation 6 (Class 2): Failure to Disclose Spending. \$100 was allocated for t-shirts on Ms. Carroll’s Financial Disclosure form. If the t-shirts were \$2/ shirt, then \$100 would equal the total if 50 shirts were purchased. No receipts are listed for the amount of t-shirts purchased, and multiple people have been seen wearing Carroll shirts. Brand new shirts were given away at the Rec Center March 9, in addition to the other shirts worn by the Carroll campaign team.

The Financial Disclosure section of the Elections Procedure Manual for SGA Elections (page 17) states “All candidates are required to make full disclosure of an itemized budget of actual campaign expenses.” The lack of receipts for the t-shirts leaves unanswered the question of the number of shirts purchased by the Carroll campaign.

Note: Three receipts submitted by Ms. Carroll do not have a company listed on the receipt. Two of the receipts have numbers that are very close together (453156 and 453200) and appear to have come from the same receipt book. One receipt is for stickers and the other receipt for plywood. A third receipt for “campaign supplies” does not have a company listed either.
