He was discharged from the army as 1st sergeant in 1945 after thirty four months service, in which he was awarded the purple heart, the combat infantry badge, and four service stars. He has worked as clerk for Arrow provisions and as Goodyear Decatur mills.

He was president of his junior highschool student council, the fellowship club, and the math club. He was graduated as valedictorian in 1941.

PLATFORM:

1. I am working to abolish the clique which controls the campus machine.

2. I am working to establish a second party on the campus.

3. I will work to make every student an integral part of SGA. I think this can be done through a more adequate, more extensive orientation program, and through opening all SGA meetings to the student body.

4. I will work toward making all honorary and service organizations open to all qualified persons.

5. I will work toward the solution of such problems as traffic, supply store, college inn, cafeterias, pay rates, telephones, intramurals, co-op grocery, and free book exchange.

6. I will work on such administrative and academic problems as basic English for credit, reading lab, vocational guidance, advisorships, and faculty merit-rating system.
